Description: This 3-part program is designed to provide Pharmacy Technicians with the most current information available on: TABloid News (medications that have been in the headlines), Pharmacy Law, and Communication Issues.

Sponsored by South Carolina College of Pharmacy and Lowcountry AHEC.

Lowcountry AHEC is an equal opportunity employer and adheres to the ADA requirements.

Registration/Refund/Cancellation Policy :

Registrations are accepted until class is filled. Registration assures placement, materials, and notification if class is cancelled. Registration is not complete until fee is received. Written cancellation received at least 2 weeks prior to the program date will result in a 50% refund. Cancellations received later than 2 weeks prior to the program, or failure to attend the program, are not refundable.

Substitutes are allowed. We reserve the right to cancel this program.

Faculty

Pamela W. Cain, RPh, MPH received her Bachelor of Science in Pharmacy and a Masters in Public Health from the University of South Carolina. She has worked as a pharmacist at Palmetto Health Richland in central and decentral pharmacy operations, including surgery, intensive care, cardiology, pediatrics, and ambulatory care. She has twenty years experience as a manager of inpatient and outpatient pharmacy services. She is a member of the South Carolina Pharmacy Association, SC Society of Health System Pharmacists, and the American Society of Health System Pharmacists.

Course Objectives

TABloid News

1. Review medications that have been headliners in the news.
2. Discuss why the medications are news-worthy.
3. Identify medications that may be headliners in the future.

Pharmacy Law Update

1. Describe the State and Federal legislative process.
2. Discuss development of professional standards.
3. Review pending or recently approved legislation impacting pharmacy practice.
4. Review legal cases that may impact pharmacy practice.
5. Discuss how you can impact legislation and pharmacy practice.

Communication: Personality Styles and Generational Relationships

1. Identify different styles of communication.
2. Describe how to communicate with the different styles.
3. Identify different generations.
4. Examine the influences, core values, and motivation of the generations.
5. Describe how to communicate with the different generations.
