Instructor:

All practice experience information, including preceptor qualification, training, and selection, will be coordinated by the SCCP Director of Experiential Education.

Office Hours:

By arrangement with rotation preceptor.

Prerequisites:

Students must be in good standing with the South Carolina College of Pharmacy, in their fourth professional year.

Course Classification:

Required

When Offered:

Summer, Fall, and Spring semesters

Meeting Times:

Students will participate in the daily care of patients with their preceptor. Time commitment is dependent upon the practice site, preceptor schedule, and specific patient care responsibilities. Students will report to the practice site during the hours designated by the preceptor. The rotation will consist of one calendar month duration with at least 40 contact hours per week.

Course Description:

The Advanced Institutional Practice Experience requires you and the students to develop several goals and objectives on the first day of the rotation that will further expand and enhance their skills. The distributive functions of early hospital experience which included filling medication orders, actual preparation of IVs and chemo orders, dosage calculations, and reading lab values should continue with:

- JCAHO and Board of Pharmacy inspection preparation
- Regulations specific to hospitals
- Equipment maintenance and documentation
- Preparation and presentation of an in-service
- Human resource issues
- Attend directors meetings (if allowed)
- Preparation for P&T Committee
- Spend a day or two on the different clinical services

Purpose:

To further expand and enhance their skills in an institutional setting that builds on the introductory institutional pharmacy practice experience in regulatory, human resources, patient care, and technology issues, as well as drug distribution.

Course Ability Outcomes:

Methods of Learning:

Grading:

Grades in the APPE program will be assigned automatically via E*Value as letter grades by the preceptor.

Course Requirements:

The course requirements are primarily up to the preceptor. However, the student must complete a preceptor/site evaluation on the last day of rotation. Evaluations are to be completed

online via E*Value. They are also required to complete an attendance log in E*Value with preceptor approval on last day of rotation.

Attendance Policy:

All students are expected to attend their rotation for at least 40 hours a week during their calendar-month long rotation. Students must contact the preceptor at least 2 weeks prior to the start date of the rotation. The student's grade may be penalized for not contacting the preceptor by this time and will be penalized by one letter grade for each unauthorized absence. Authorized absences are limited to 2 days/month and a total of 5 days per year. Absences may be considered excused in the event of an unforeseen emergency or unusual circumstance, as determined by the preceptor. Any foreseeable absences must be pre-approved by the preceptor. All absences are expected to be made up as directed by the preceptor. Excessive absences may result in a failing grade.

Academic Honesty:

Dishonesty will result in a failing grade.

Confidentiality:

Any patient-specific data will not be discussed with anyone outside of the patient's treatment team or within earshot of anyone other than those involved in the patient's care.
